

*A Writer's Workshop:*  
**“Reporting Across Cultures,  
Telling Your Own Story”**

Are you interested in historical events? Are you curious about differing communities? Are you inspired to read or write about varied cultures?

Do you have a story to tell? Do you have a personal essay in mind? Is there the seed of a memoir somewhere in your heart?

If so, come to a hands-on workshop by a writer and former *Los Angeles Times* reporter who will offer some journalistic tips to help you conduct research, interview sources, and find that writer's voice to shape a personal story or essay.
